Miss November 2009 Calendar

The Curves team are a true inspiration to others the dedication to maintaining there three times per week workouts and also maintaining a training program preparing themselves for the Great South Run. Well done Ladies!

The Curves team are a true inspiration to others the dedication to maintaining there three times per week workouts and also maintaining a training program preparing themselves for the Great South Run. Well done Ladies!

This month I have decided that I would like to nominate the curves ladies that ran in the Great South Run for our November calendar girls

I have nothing but the highest of praise for our ladies that took part in the Great South Run and also to the members that were unfortunate not to be able to take part due to unforeseen circumstances, I would like to thank the team and our fellow Curves members for there support and participation with all the events that took place in the club to raise this fantastic amount. As ever with these types of events a lot goes on in the background which goes unnoticed. I can honestly say that without the support of fellow Curves members and the team. None of this would have been achievable.

I have to admit I am very relieved it's all over and pleased that it all went to plan. Can I just say thanks for the support and help The McMillan Cancer Care Trust have given Curves during this fantastic achievement. We have estimated that we have managed to achieve between £3500 to £4000 sponsorship!

This makes me so proud to have such a good team and support of Ladies in our local community
